

Dear all

In this week's digest:

- WaterNSW has three positions open:
 - 1 x Data Scientist – Water Modelling Systems,
<https://waternsw.applynow.net.au/jobs/WaterNSW2063>
 - 2 x Hydroclimate Modeller,
<https://waternsw.applynow.net.au/jobs/WaterNSW2059-hydroclimate-modeller>
- Reviews of full papers for MODSIM2023 are not all complete, an extension has been granted until next Friday 28 April, so if you are an author of a full paper you may not have received any notification of a decision yet.
- Extended abstracts (1-page only) can still be submitted until Friday 5 May.
- If you would like to stay near the airport in Darwin for MODSIM2023, a bus will be transporting delegates from the Charles Darwin University campus and hotels near the airport each day and returning at the end of each day.

If you would like something included in this digest, please email it to office@mssanz.org.au

Kind regards, Karen
