

Dear all

In this week's digest:

- Two **workshops** will be held on Friday 14 July as part of MODSIM2023 that may be of interest see <https://mssanz.org.au/modsim2023/workshops.html>. Both will be at the CDU Waterfront building, not far from the Convention Centre
 - Bayesian ideas in pictures / How to build a spatial causal network
 - Navigating a Career in Science: A professional development workshop for Early Career Researchers and Young Professionals
- The UNSW Canberra Capability Systems Centre has a job opening for a Lecturer in systems modelling, see <https://external-careers.jobs.unsw.edu.au/en/job/516812/lecturer-capability-systems-centre-unsw-canberra>
- The call for papers is open for the *2nd Asia Pacific Conference on Sustainable Development of Energy, Water and Environment Systems*, to be held at the Gold Coast, 2–5 April 2024. See <https://www.goldcoast2024.sdewes.org/>
- A reminder that nominations for positions on the Management and Awards Committees close at 5pm (AEDT) on **Tuesday 4 July**.
 - Nomination form for Management Committee <https://mssanz.org.au/forms/agm-2023-nominations/>
 - Nomination form for Awards Committee <https://mssanz.org.au/forms/2023-awards-committee/>

If you would like something included in this digest, please email it to office@mssanz.org.au

Kind regards, Karen
