

Dear all

In this week's digest:

- The Oceania Chapter of the System Dynamics Society is pleased to invite you to attend a free webinar entitled "Earth for All – A Survival Guide for Humanity" by Prof. Jørgen Randers (Professor Emeritus, Climate Strategy, BI Norwegian Business School. Author and lead modeller for the Club of Rome's 'Earth for All' project).

The webinar will take place on **Wednesday 15th November 2023, 6:00pm – 7:00pm (AEDT - Sydney time)**. To register and for more information, please visit <https://systemdynamics.org/chapters/oceania-chapter/oceania-chapter-webinar-series/>

If you would like something included in this digest, please email it to office@mssanz.org.au

Kind regards, Karen
