

Dear all

In this week's digest:

- The Australian Institute of Marine Science (AIMS) has a few positions open based in Queensland that might be of interest:
 - Operational Modeller and Analyst: <https://www.aims.gov.au/about/careers-aims/operational-modeller-analyst> (AOF level 5)
 - Senior Research Scientist: Environmental Decision Science: <https://www.aims.gov.au/about/careers-aims/senior-research-scientist-environmental-decision-science> (AOF level 6)
 - Data Science Support Officer: <https://www.aims.gov.au/about/careers-aims/data-science-support-officer> (AOF level 3 enhanced)
 - Postdoctoral Fellow: Modelling Coastal Dynamics: <https://www.aims.gov.au/about/careers-aims/postdoctoral-fellowship-modelling-coastal-dynamics> (AOF level 4)
- The Bureau of Meteorology has two positions for research scientists open (one for climate and one for oceans)
<https://www.apsjobs.gov.au/s/job-details?title=scientist-climate-or-ocean-&Id=a052P000004WX4IQAG>

If you would like something included in this digest, please email it to office@mssanz.org.au
Kind regards, Karen
