

Dear all

This week we have one job opportunity and two reminders

- A Severe Wind Hazard Scientist at Geoscience Australia – see <https://candidate.aurion.cloud/ga/production/vacancies/2914226534289198~1/edit>
- A reminder to have your say about how we run MODSIM2021 – complete the survey at <https://www.surveymonkey.com/r/B3VBH3J> by next Friday (26 March) please
- A reminder to send in your proposals for MODSIM2021 sessions – see <https://mssanz.org.au/modsim2021/streams.html>

If you would like something included in this digest please email it to office@mssanz.org.au

kind regards, Karen
