Dear all

Just one item this week:

Join Sondoss Elawah for a webinar and international panel discussion on the “Grand Challenges of Socio-environmental modelling”. More details: [Webinar: Understanding the Grand Challenges in Socio-Environmental Systems Modeling | SESYNC](#)

The event is sponsored by the National Socio-Environmental Synthesis Center (SESYNC) and The Integrated Assessment Society.

If you would like something included in this digest please email it to [office@mssanz.org.au](mailto:office@mssanz.org.au)

kind regards, Karen

And don't forget you can still send in session proposals for MODSIM2021 – <https://mssanz.org.au/modsim2021/streams.html>
