

Dear all

In this week's digest:

- The third issue of *Socio-Environmental Systems Modelling* (SESMO) has been published. Read the articles in this issue at <https://sesmo.org/issue/view/2923>
- MSSANZ members are invited to participate in a new large-scale Economists and Economics Survey, conducted by Professor David Colander (Middlebury College, USA), Dr Francesca Gagliardi (University of Hertfordshire, UK), Dr David Gindis (University of Hertfordshire, UK) and Professor Geoffrey Hodgson (Loughborough University London, UK). The study targets anyone holding a bachelor's or higher degree in economics, or partly in economics, in any part of the world. Respondents are asked to express their views on the economics profession, economics as a discipline, and economic policy. Find out more at https://hertsmarketing.eu.qualtrics.com/jfe/form/SV_5148RVxobjKSNqB. The closing date is 31 May.
- A Wargame and Simulation Specialist position is on offer with the Department of Defence based in Adelaide. The closing date is 27 April.
