

30/04/2021

Dear all

This week we have a PhD opportunity offered by DairyNZ collaborating with Auckland University, Auckland Bioengineering Institute, Animal and Microbiome Research Group.

[Anatomically detailed, biophysically governed modelling of energy flows in dairy cows - The University of Auckland](#)

Please contact Pierre Beukes (pierre.beukes@dairynz.co.nz) or Jagir Hussan (r.jagir@auckland.ac.nz)

If you would like something included in this digest please email it to office@mssanz.org.au

Kind regards, Karen
