

Dear all

Two items for you this week:

- Three junior faculty positions in the Institute of Environmental Engineering at EPFL in Switzerland
- A Senior Hydroclimate Scientist position at CSIRO in Canberra

If you would like something included in this digest please email it to [office@mssanz.org.au](mailto:office@mssanz.org.au)

kind regards, Karen

---

### **Institute of Environmental Engineering, EPFL, Switzerland**

EPFL has launched a search for 3 Tenure-Track Assistant Professors in:

- Environmental Adaptation (<https://www.epfl.ch/about/working/tenure-track-faculty-position-in-environmental-adaptation/>)
- Catchment Science and Engineering (<https://www.epfl.ch/about/working/tenure-track-faculty-position-in-catchment-science-and-engineering/>)
- Environmental Resource Biorecovery (<https://www.epfl.ch/about/working/tenure-track-faculty-position-environmental-resource-biorecovery/>)
