

Dear all

In this week's digest:

- EcoSummit 2023, Building a sustainable and desirable future: Adapting to a changing land and sea-scape, will be held at The Gold Coast Convention Centre, Gold Coast, Australia, from 13–17 June 2023.
The call for proposals for Symposia and Working Groups is still open. See <https://ecosummitcongress.com/>
- Murdoch University has a 2.5 year post-doc position in regional climate modelling available. Applications close 7 July. See <https://www.seek.com.au/job/57385479>
- NIWA has an opening for a catchment water quality modeller in New Zealand. Applications close 3 July. Please see the links below for more information.
SEEK – <https://www.seek.co.nz/job/57337901?type=standout#sol=9db766018c414d0c80921af400b5fae002ceccfd>
Science NZ – <https://careers.sciencenewzealand.org/jobdetails/ajid/9R4y9/Water-Quality-Catchment-Modeller,46922.html>
- The NATO CA2x2 forum is calling for abstract submissions with a closing date of 30 June. See <https://www.mscoe.org/event/nato-ca2x2-forum-2022/call-for-paper/> The event will be held in Rome from 27 to 29 September 2022.

If you would like something included in this digest, please email it to office@mssanz.org.au

Kind regards, Karen
