

Dear all

It's been a little while since our last weekly digest.

This week we have an advertisement for a Programmer Modeller & Data Analyst position at CSIRO.

A few MODSIM2021 reminders:

- If you are a session organiser, please make sure reviews of full papers are completed and authors have been notified
- If you have a full paper submitted, please make sure you check on reviewer feedback and revise and submit your final version by the due date of **11 October**
- You can still submit an extended abstract until the same date, **11 October**
- And don't forget to register to attend in person or via a virtual registration!

If you would like something included in this digest, please email it to office@mssanz.org.au

Kind regards, Karen
